

CCMS Counseling Department Goals

Academic

On the KPREP assessment, students will increase Math scores by 10% and reading scores will increase by 6%. There will be an overall increase in KPREP scores by 6%.

Behavior

Decrease the number of office referrals by 10% during the 13-14 school year for all students. In particular, office referrals for males specifically will be reduced by 10%.

Career/College Readiness

Increase number of students with IEP's meeting benchmarks on the Explore assessment. Percentage of students meeting Math benchmarks will increase 10%. Percentage of students meeting Reading benchmarks will increase 7%. The combined score of reading and math will increase 7%.
