What's Happening At CCMS?

Our School Counseling Department isn't just for students! We've collected a variety of Digital Parent Resources as well including the 'Why Try' Parent Guide to Resilience. Students have experienced the 'Why Try' Curriculum in their Classroom Social Emotional Lessons. The 'Why Try' Organization has provided this guide free of charge to help families build resilience during the covid-19 pandemic. See our CCMS Counselor Connection website for more resources ranging from Depression and Suicide Prevention to Managing Social Media in your family.

To communicate with the office staff (send absence notes, etc), use the email CCMSOffice@campbell.kyschools.us.

Even though students aren't in the building, please continue to call and update us if your student has an exposure to Covid-19.

For your convenience, CCMS has a secure drop box outside our main doors for easily turning in paperwork for the nurse, athletics, absences, etc, even after office hours! (The box is not waterproof, so you might need to consider the weather and protect your items in a plastic bag.)
