		Crossroads	tbd	Mid-Day Kindergarten/Preschool Inbound
		St. Joseph Elementary	72	a.m./p.m.

**Please Note:**

Each school should have their list of available daycares. Daycare busing within each school's boundary occurs both inbound and outbound with all students in those areas. Students will be assigned to an AM or PM class dependent on their household physical address, regardless of their before and/or after-school child care arrangements.

**AM BUSING**

1. Transport from home to school, within boundary.
2. Transport from daycare to school, but student is still assigned by physical address boundary as to AM or PM class assignment.

**MID-DAY BUSING**

1. Transport from home to school, within boundary.
2. Transport from daycare to school, but student is still assigned by physical address boundary as to AM or PM class assignment.
3. Transport from school to daycare.
4. Transport from school to home.

**PM BUSING**

1. Transport from school to home.
2. Transport from school to daycare.

Busing is not provided by us to students from home to daycares in the morning or from the daycare to home in the afternoons.
