Dear Senior Parents,

We are writing to you on behalf of the Project Graduation Committee. We have been working hard putting together what we think will be a memorable night for your graduating senior. This year we are excited to announce we will be having our event at NKU's Campus Recreation Center! Project Graduation is designed to provide an alcohol and drug free environment for our graduating seniors. This is an opportunity for the student body to come together, share memories, and have fun before embarking on a new phase of their lives.

Students can pick up the Project Graduation permission form in the front office. **All forms must be returned at time of ticket purchase. All students will be required to have a signed parent permission form.** There will be many activities including swimming, basketball, rock climbing wall, etc. If your student chooses to swim, please be sure they bring a towel!

You might be asking yourself, "HOW CAN I HELP?" You can participate in many ways. The attached volunteer sheet indicates the blocks of time we will need volunteers and the items that can be donated as well. We are asking senior parents to please provide drinks for the evening. Which include: 24 pack of bottled water or a 12 pack of coke, diet coke or sprite. Please indicate if you are able to provide drink donations. This is an exciting time for **2019** seniors and we want as many parents to be involved as possible. Donations will be graciously accepted; due to state laws we can **no longer purchase gift cards** so if you wish to donate please write a check to CCHS Project Grad. This donation will be used to purchase prize items. We are hoping that the business community, local organizations and parents will help us reach our goal. Also – we still have a few Project Graduation Committee meetings left, If you are interested in joining, our next meeting will be held on April, 30th @ 6:00pm.

If you have any questions, please call Andrea Reed at 859-635-4667.

Many of our students have spent their entire educational lives in the Campbell County School System. As they reflect over the years, we hope they will remember Project Graduation as one of the highlights! With your help, we can make this happen.

Sincerely,

Andrea Reed
