Monday – SBDM Council mtg, 5:30

Tuesday –

Wednesday –

Thursday – Gr 2 to Country Pumpkins

Friday –

PRINCIPAL MESSAGE

Dear Parents,

I hope you have had an enjoyable fall Break with your kids. While I know we were all ready for a break, I'm looking forward to seeing all of our students and staff back in the building on Monday.

Quick reminder – our school dress code policy states that students may not wear shorts from Fall break to Spring break.

The week of Oct. 18-22 CRES will be celebrating KY Safe Schools Week! We want to ensure that we do everything in our power to keep our students safe. Below are the activities that will be happening that week. Make sure to mark your calendars for the special dress up days.

- Monday Oct. 18– **PAJAMA DAY** – Let's put our bad habits to rest.
- Tuesday Oct. 19 – **CRAZY SOCKS DAY** - We are going to “kick out” the idea of bullying!
- Wednesday Oct. 20 - **HAT DAY** - Hats off to CRES students for being safety stars!
- Thursday - Oct. 21 **FAVORITE SPORT TEAM SHIRT** - We are teaming up to make our school safe!
- Friday- Oct. 22 **CRES SPIRIT DAY** - As a school we all unite against problems and wear our school colors today to show that we are all in

Grow our students in a safe and healthy environment where they are engaged in academic and personal growth

Register a new student [HERE](#)

agreement and stand together to make our school a safe place for all!

TAKE THE PLEDGE: We are challenging CRES students to log on this week and be a Safety Star! Take the pledge to show that you can show kindness, respectfulness and support of others and follow all school safety rules without complaints. The students who follow the rules, support others in need, show kindness and respect to all are truly bright shining... SAFETY STARS!<https://kycss.org/safe-schools-week/safety-week-pledge/>

Did you see Dr. Rust's Thursday Update for parents? If not, you can find it [HERE](#).

WE NEED YOUR HELP!!! School/District Improvement Surveys: The school district and each of its schools have begun conducting needs assessments to determine next steps for our improvement planning. This is an annual, cyclical process that helps us review and improve our operation and instruction. To inform this process, we need stakeholder feedback. Sometime during the next two weeks, I would like to ask families to fill out the following, linked survey. This is a quick survey but will definitely help us as we plan for improvement. We will ask students and staff to fill out comparable surveys as well, to inform the process and help triangulate the information we receive.

[Family Survey](#)

The 2023-24 Campbell County Schools calendar is out in draft form and waiting for your feedback – check it out [HERE](#).

Thank you, Mr. Mazzei

Test to Stay

The Test to Stay program has already made a difference in our students' learning. Students that need to quarantine may be able to remain at school after being tested during their quarantine. Check the links below for more information.

Test To Stay Program:

[Enrollment Link](#)

Parents must bring their child to school the morning after a close contact. If the student test negative, they may ride the bus home. The student may continue to ride the bus to and from school after the first negative unless they happen to test positive. Any student that tests positive must be picked up from school by the parent/guardian.

Nurse Schack says....

Parents/Guardians,

Please call me if your child has any COVID symptoms.

Thank you, *Jennifer Schack RN, MSN*

CRES PTO

News from our PTO....

YARD SIGNS FOR SPECIAL OCCASIONS!

Our PTO has a very cool new fundraiser for this year. You can order a custom-made yard sign celebrating a birthday, new adoption, or other special occasions. Get your order form [HERE](#) or by sending an email to crespto21@gmail.com

Did you know that your PTO is on Facebook?

Check us out [HERE](#).

BoxTops for Education -

<https://www.boxtops4education.com/> - Have you checked out how easy BoxTops is now? Create an account, download the mobile app, scan your grocery receipt, that's it. Our PTO earns 10 cents for every boxtop – what could be easier than that?

Kroger Rewards – Do you have your card set up to benefit Campbell Ridge? If not, you can do that here, <https://www.kroger.com>

	<p align="center">CRES Contacts</p> <p>All staff directory – click here, all staff emails are firstname.lastname@campbell.kyschools.us</p> <p>CRES Phone – 859.448.4780 Anthony Mazzei, Principal Michele Augsback, Asst. Principal</p> <p>Peggy McDaniel, Secretary Michelle Martin, Attendance Clerk, call or email to report absences Jennifer Schack, Nurse Olivia Hathorn, Counselor Lauren Ritter, Counselor Brenda Harting, Counselor</p>

TEST to STAY - HELP REDUCE QUARANTINES

As a state approved laboratory, Ethos is offering the FDA EUA COVID-19 Rapid Antigen testing of asymptomatic individuals who have had close contact with a confirmed COVID-19 infection.

DAILY RAPID TESTING MONITORS FOR COVID-19 RATHER THAN QUARANTINE.

- NO PAPERWORK FOR SCHOOL STAFF
- INCREASE IN-CLASSROOM INSTRUCTION
- RESULTS AVAILABLE IN 15 MINUTES
- NO COST TO STUDENTS, STAFF & SCHOOL EMPLOYEES

Those who test negative, stay in school.
Those who test positive, quarantine.

ETHOS MANAGES ALL:

- PARENT CONSENT FORMS
- PARENT/STUDENT OPT-INS & OPT-OUTS
- REPORTING TO THE NORTHERN KENTUCKY STATE HEALTH DEPARTMENT
- ONSITE STAFF AVAILABLE FOR SPECIMEN COLLECTION AND READING RESULTS

WHO IS ETHOS LABORATORIES?

Ethos Laboratories is a CLIA certified, CAP accredited, high-complexity laboratory that specializes in COVID-19 PCR testing, COVID-19 vaccinations, pain biomarker, toxicology testing, and research and development. Ethos conducts revolutionary research into chronic disease and has been awarded funding from federal programs to develop novel diagnostic tests for challenging and rare diseases. Ethos received the first FDA EUA in the country for the SARS-CoV-2 PCR assay with MALDI-TOF in 2020, which has inclusion criteria for the use in children under the age of 18, back-to-school testing and back-to-work testing. As a partner and a true community champion, Ethos values the partnership with the Commonwealth of Kentucky and The Department of Health in order to help protect as many lives as possible by being readily accessible for our community.

**FOR MORE INFORMATION ON THIS PROGRAM,
