Tuesday – Kdg and grade 2 to the Cinti. Zoo

Wednesday – CCHS Senior Walk – 9am, Grade 3 to Alexandria Park, Grade 5 Recognition Night – 7pm

Thursday – Gr 5 picnic

Friday – Field Day, last day of school!

Principal Message

Hi Parents,

The final week of the year is upon us. The final week of Year 17 for Campbell Ridge, it is difficult to believe, time flies by so fast.

On Wednesday evening at 7pm, we will recognize and send our 5th graders off to the middle school. Please join us at 7pm as we recognize the hard work they have completed this year. Students should be at CRES at 6:30.

Our 5th graders had a great time at the overnight this past weekend. Thank you to our PTO and parent volunteers for all of their help in making this night so successful for our students. This is a great tradition and a real highlight for our students.

On Friday, we will hold our annual Field Day. Thank you again to our PTO and parents that plan to help out on Friday.

Congratulations to Mrs. Britney Wiener! She was nominated and awarded the final Warm 98 Teacher of the Week on Thursday of last week. It is much deserved and she was very surprised!

Parents, the Alexandria Police are receiving complaints again about speeding on Grandview Rd. during the arrival and dismissal of school. The speed limit on the hills is 20mph.

Grow our students in a safe and healthy environment where they are engaged in academic and personal growth

ONE MORE SURVEY for Parents!

Survey season continues! We kindly ask that all parents, but especially if your child has been in an intervention this year, complete the survey that can be found [HERE](#). Again, we do analyze and use these results to plan for improvement.

Volunteer Opportunity for 2022-23

We have an amazing Reading and Mentoring experience available for volunteers that can commit 30 minutes per week to inspire a primary student's reading ability and confidence to higher levels! Please review the information on this [google site](#).

Our athletic department is offering sports-related summer camps, for more information click [HERE](#).

Northern Kentucky University is offering summer science camps for elementary students, for details click [HERE](#).

Thank you, Mr. Mazzei

Our Nurse says....

Parents/Guardians,
Nurse Burns can be reached at 448-4780, ext 4040. She can also be emailed at <mailto:martha.burns@campbell.kyschools.us>.

I have seen many children with ticks already this season. While most ticks/tick bites are harmless, some ticks in our region can and do carry harmful diseases so tick bite prevention is important. Our kids play outside at school nearly every day so please make sure you are looking for ticks even if your child stays inside after school. Here is some helpful information about how to prevent tick bites and what to do if you find a tick on you or your child.

Tick Prevention

Know where to expect ticks. Ticks live in grassy, brushy, or wooded areas, and even on animals. Many people get ticks in their own yard even in established neighborhoods. Keeping your yard clean and free of debris can help prevent tick infestations. Flea and tick prevention for animals can also help limit exposure to ticks that may be carried inside on your pets.

You can also buy permethrin products such as tick tubes to prevent tick infestations in your yard or contact a lawn service

about treating your yard with a tick preventative. Use Environmental Protection Agency (EPA)-registered insect repellents containing DEET, picaridin, IR3535, Oil of Lemon Eucalyptus (OLE), para-menthane-diol (PMD), or 2-undecanone. Always follow product instructions. Do not use products containing OLE or PMD on children under 3 years old.

After You Come Indoors

Check your clothing for ticks. Ticks may be carried into the house on clothing. Any ticks that are found should be removed. Shower soon after being outdoors. Showering within two hours of coming indoors has been shown to reduce your risk of getting Lyme disease and may be effective in reducing the risk of other tickborne diseases. Showering may help wash off unattached ticks and it is a good opportunity to do a tick check.

Check your body for ticks after being outdoors. Conduct a full body check upon return from potentially tick-infested areas, including your own backyard. Use a hand-held or full-length mirror to view all parts of your body. Ticks prefer to hide in the hair and fold/crevices so be sure to diligently check: armpits, in/around ears, inside belly button, back of knees, in/around hair, in the groin area, and around the waist.

What if I Find a Tick on My Child?

It's important to remove a tick as soon as possible. Follow these steps:

- Use tweezers to grasp the tick firmly at its head or mouth, next to the skin.
- Pull firmly and steadily until the tick lets go of the skin. Do not twist the tick or rock it from side to side. Parts of the tick might stay in the skin, but eventually will come out on their own.
- Wash your hands and the site of the bite with soap and water.
- Swab the bite site with alcohol.
- **Never** use petroleum jelly or a hot match to kill and remove a tick. These methods don't get the tick off the skin and can make it burrow deeper and release more saliva (which makes it more likely to pass a disease).

CRES PTO

News from our PTO....

The PTO is currently accepting nominations to become a parent representative on the school Site-based Decision-Making Council (SBDM Council). Nominations are being accepted this week and can be sent to carriejagers@gmail.com. Voting will take place once the nominations have been submitted.

The SBDM Council is made up of 2 parent reps, 3 teacher reps, and the Principal. The Council sets policy for the school, implements an Improvement Plan, and monitors how the school completes the Improvement Plan.

YARD SIGNS FOR SPECIAL OCCASIONS! Our PTO has a very cool new fundraiser for this year. You can order a custom-made yard sign celebrating a birthday, new adoption, or other special occasions. Get your order form [HERE](#) or by sending an email to crespto21@gmail.com

Did you know that your PTO is on Facebook? Check us out [HERE](#).

BoxTops for Education -

<https://www.boxtops4education.com/> - Have you checked out how easy BoxTops is now? Create an account, download the mobile app, scan your grocery receipt, that's it. Our PTO earns 10 cents for every boxtop – what could be easier than that?

Kroger Rewards – Do you have your card set up to benefit Campbell Ridge? If not, you can do that here, <https://www.kroger.com>

SBDM Council Corner

Congratulations to the following members of the 2022-23 SBDM Council. While new members will attend the May meeting, their office terms begins June 1.

Abi Clabeaux – parent rep
Kristina Blom – parent rep
JoAnn Nassano – teacher rep
Britney Wiener – teacher rep
Rachael Wachter – teacher rep
