COUNSELOR CONNECTION

"It is not our differences that divide us. It is our inability to recognize, accept, and celebrate those differences."

– Audre Lorde, **Our Dead Behind Us: Poems**

We recently finished up a series on "Respecting Differences and Promoting Acceptance" in our Camel Learning Communities, or CLC Classes. We explored how and why people experience prejudice and discrimination and the difference between overt (obvious) and covert (hidden) prejudices. Many of our 8th grade students had a chance to visit Camp Joy recently, where they participated in an Underground Railroad Experience.

Looking for a way to start a conversation with your student on this topic? Explore old advertisements or newspapers online together and talk about how prejudice has changed over time or check out some of the websites listed below:

Our **PTO** is working this year to provide more support to our school both through volunteering time and holding fundraisers to help provide financial support. There are 3 main ways to find out what the PTO is doing and how you can help.

1. Please consider joining the email list so that you can be made aware of opportunities where you can help. Once on the mailing list, you will receive detailed notes monthly of what the PTO is doing, along with also having the opportunity to respond with ideas and thoughts.

2. Our PTO also has a group on signup.com where volunteer opportunities are regularly posted and parents/volunteers can sign up.

<http://signup.com/go/cvzciZ>

3. The PTO also has a Facebook page where we post regularly with things the PTO is doing, plus other things that are going on at school sponsored by other groups. The name of our Facebook group is "Campbell County Middle School PTO". Our page is open to all parents, teachers, administrators, etc. Please consider not only liking our page, but also turning on your notifications so that our information shows up first in your newsfeed and you do not miss any of our posts.
